Re: Dana R. Whitfield, Case No. 26-40217-C13
Loan number ending 6620, property at 214 Larkspur Lane, Fernhill

Dear Ms. Varga:

We have reviewed the Chapter 13 plan dated March 2, 2026. Our records show that the prepetition arrearage on this loan as of March 2, 2026 is $12,180.00, calculated as follows:

- 7 missed monthly payments of $1,560.00: $10,920.00
- Accrued late charges: $640.00
- Property inspection fees: $620.00

The plan proposes to cure an arrearage of $9,600.00, which is less than the amount owed. Cobalt Ridge Mortgage Servicing will file a proof of claim for $12,180.00 in arrears and objects to any plan that does not provide for the full amount.

The regular monthly payment of $1,560.00 must continue to be paid directly beginning with the April 1, 2026 installment.

Sincerely,

Renata Osei
